

Ann's Walk to Rome

I am Ann and I live in **Hitchin**, Hertfordshire. In April 2006 I set off from Santiago de Compostela in Spain to walk over 1600 miles, across 3 countries to Rome. I hope to arrive in Rome around the beginning of August. My route is shown below.

I am looking for support for two charities that help homeless people.

North Herts Sanctuary (Charity No 1071610) runs an all-year-round shelter in Hitchin, Herts for the homeless.

Depaul Trust (Charity No 802384) is a nation wide charity supporting homeless and disadvantaged people, helping them to fulfil their potential.

You can find out more about the charities and how to donate, and my journey by visiting my website
